

The Altar Guild came together as usual throughout the Christmas season 2019 and the beginning of 2020. Our schedule was kept in January and February with all 10 members serving their weeks. However, our last Sunday service in the church was March 13, with a funeral held in the church Monday, March 14. We were closed after that date. During the following months, all of us were fortunate to be able to view each Sunday service, Compline, Bible Study, etc. Altar guild participated where needed for the recordings of Sunday services.

We were notified that beginning November, services would be held at the outdoor chapel. Fr. Bryan conducted a service to consecrate the wafers to be used for these services. Callie Millis, Ann Meia, and Eyleen Mitchell participated and put each wafer in small zip lock bags. The following members helped to set up the Communion service for each week of November and December: Callie Millis, Lynn Elvins, Teri Kramer, Ann Meia, Kay Davis, and Eyleen Mitchell.

May 2021 be a better year for us.
