

Daybreak, Macon

Daybreak continues to operate and thrive despite the COVID-19 pandemic. Below is a brief summary from the Director's Report given at Daybreak's latest meeting.

COVID-19: The Mercer Medicine did testing at Daybreak. All staff and participants who were tested were negative for the virus.

Staffing: We continue to review application for clinic manager. An offer has been extended to a qualified candidate.

Volunteers: We continue to need volunteers every day. As we receive a lot of community service volunteers, once their hours are complete we often have to find replacements. You can help by getting the word out to potential volunteers, or by volunteering yourself. All are welcome. If you have questions, or would like to volunteer, contact tyia.sprinkle@depaulusa.org or call 478-972-0005.

Events from 2020: Nov. 18th On the Table (brought people of diverse backgrounds together to discuss topics important to the community), Nov. 20th Annual Memorial Service for Daybreak family members who have passed in the last year, Nov. 19th-Jan. 2nd Subaru's Share the Love event (for every car sold they gave us \$250), Nov. 22nd Skydog 74 (the band recorded an Allman Brothers anniversary album and allowed fans to download a digital copy for a donation to Daybreak), Dec. 1st Georgia Gives (online promotion that raised \$4,100)

If you would like to get more involved with Daybreak this year, contact Nancy Ogilvie (harriette60@gmail.com)
